ABOUT ME

I am an enthusiastic and detail-oriented Junior Front-end Developer with proficient knowledge in HTML, JavaScript and CSS, as well as third-party library such as ReactJS.

I excel at translating design into functional interfaces and keeping up with the latest industry trends and technologies seeking to utilize my technical skills to provide value to the employer and contribute to successful projects both today and in the future.

WORK EXPERIENCE

FREELANCE FULL-STACK DEVELOPER

SANTA MARIA COFFEE SHOP - 05/2023-12/2023

- Designed, built and maintained a sales desktop application as a full-stack developer using .net, C# and SQL.
